Start your child on the right path into art

Mini Monet is the starting point for kids learning art and creativity at Sydney Art School

These art classes are tailored for kids in primary school.

The focus is on developing drawing and painting skills in an engaging and creative environment.

We carefully plan these classes to give the right balance of exercises to develop foundation artistic and cognitive skills with fun activities to keep your child engaged.

Term Topics

Each term a structured set of lesson plans are created based on a new term topic.

The term topic supports learning of techniques and artistic styles presented in the context of an art movement or famous artist. Keeping

students interested and engaged with a fresh topic each term increases the effectiveness and speed of learning.

The Term Topic for Term 2 - 2024 is Pop Art.
