Round White Taklon brushes are suitable for fine details and highlighting.

Synthetic hair filaments are an excellent alternative to natural hair, ideal for water colour, acrylic and gouache paints as well as for mixed media.

Features include round bristle shape with short silver handle.

This special bundle includes a range of sizes suitable for the majority of uses.

Sizes in this bundle are: 1#, #4, #8, #12 and #24

### About Artists' brush sizes

Artists' brushes are usually given numbered sizes, although there is no exact standard for their physical dimensions.

From smallest to largest, the sizes are: 20/0, 12/0, 10/0, 7/0, 6/0, 5/0, 4/0 (also written 0000), 000, 00, 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 16, 18, 20, 22, 24, 25, 26, 28, 30. Brushes as fine as 30/0 are manufactured by major companies, but are not a common size.

Sizes 000 to 20 are most common.
